

Children's Water Festival

TRANSPORTATION GRANT APPLICATION

THURSDAY, MAY 13, 2010

Grant Information

Due to the serious effects of financial cutbacks to school districts, The Groundwater Management Board has decided to award five, seventy-five dollar (\$75.00) grants to schools that can not afford transportation to the Children's Water Festival. Fourth, fifth, and sixth grade teachers from the Ingham, Eaton, and Clinton Counties are eligible. Please contact Erin Campbell at 517-393-0342 or ecampbell@mitcrpc.org with any additional questions. Grant winners will receive notification by Friday, January 15, 2010.

Application Information

- I. A Cover Page: (Limit One Page)
 - School/Teacher's Name
 - School Address
 - School Phone and Fax Number
 - Teacher's Email Address

- II. Narrative: Explanation Of Why Your Class Should Attend The Festival (Limit Two Pages)
 - A. If you have previously attended the festival:
 - How will your class benefit by attending this year?
 - What other ways are your students learning about environmental issues that supplement the lessons presented at the festival?
 - Do you conduct any "post-festival" activities that continue the lessons presented at the festival?

 - B. If you have never attended the festival before:
 - What are some environmental issues that you feel your students struggle with that you would like to see the festival address?
 - Have you attended any other environmentally focused event?
 - If chosen to attend, what ideas or lessons would you use to prepare students for the lessons introduced at the festival?

Your narrative is to address at least one of these issues but is not limited to them. Please remember to keep the grant to a maximum of three pages. Winners must also provide The Groundwater Management Board with documentation confirming that the instructor uses the grant money towards transportation to the Children's Water Festival.

Please **mail** this grant application with your registration form by **December 18, 2009**
